SUMMARY

B.Tech student in Production & Industrial Engineering at BIT Mesra (2024–2028) with hands-on exposure to SAP ERP, production planning and reporting gained through an internship at Tata Steel (Tinplate Division). Skilled in Python, SQL, Power BI and Excel, with project experience in sales analysis and time series analysis. Seeking Operations and Analyst roles where I can apply my understanding of processes, data and systems to improve efficiency and support better decision-making.

KEY SKILLS

Data Analysis & Visualization: Power BI, Microsoft Excel, Google Sheets, Dashboards, Exploratory Data Analysis, Time Series Analysis

Programming & Databases: Python (Pandas, NumPy, Matplotlib, Seaborn), SQL (PostgreSQL)

Operations & Systems: SAP ERP (Planning & Reporting), Production Planning & Control (PPC), Manufacturing Operations

Design & Analytics: Canva, Graphic Design, Video Editing, Social Media Analytics (X/Twitter)

Languages: English, Hindi, Bengali

PROFESSIONAL EXPERIENCE

TATA STEEL (TINPLATE DIVISION)

May 2026 – Jul 2026

Intern

- Gained hands-on exposure to SAP ERP for production planning and reporting.
- Learned production planning & control (PPC) while studying manufacturing operations and production workflows.

@SWIFTYRUZA (X/TWITTER MUSIC ACCOUNT)

Dec 2025 – Apr 2026

Design and Data Specialist / Analyst

- Managed the account end to end: content planning, post creation, graphic design, growth and audience interaction.
- Analyzed account performance and audience engagement using data analysis and visualization to improve content strategy.

PROJECTS

E-Commerce Sales Analysis

Dec 2025

Python, Power BI, SQL, Excel

- Analyzed a dataset of 3,900+ transactions to understand customer behavior.
- Built dashboards to track sales trends and product performance, and used the insights to suggest improvements in planning and overall efficiency.

Time Series Analysis

Jul 2026

Python, Pandas, NumPy, Matplotlib, Seaborn

- Built a Python-based time series analysis project to explore trends, seasonality and patterns through data cleaning, visualization and exploratory analysis.

EDUCATION

BIRLA INSTITUTE OF TECHNOLOGY (BIT), MESRA

Ranchi, India

Bachelor of Technology (B.Tech), Production & Industrial Engineering – Percentage:

2024 – 2028

76.9%
